CITY DISCONTINUES CIVIC CENTER RECYCLING LOCATION

Due to various issues associated with general maintenance of the facility, the City has decided to discontinue the use of the large green recycling containers that are located at the Civic Center. We will continue to offer the Paper Connection recycling containers, curbside recycling, and will continue to search for new ways to encourage recycling in the community. The recycling containers will be removed on August 29, 2014.

THANK YOU TO THE 2014 AQUATIC CENTER SPONSORS

Spring Hill Oil - Propane

Dr. Courtney Bloodgood, O.D. * Dr. Bill Whitesell, O.D.

IS YOUR VEHICLE SECURE?

The Spring Hill Police Department requests the assistance of the citizens of Spring Hill to be vigilant by making sure their vehicles and residences are secured. As we progress through the summer months, we as a community can be faced with individuals that look for opportunities to prey upon unsuspecting individuals by means of auto thefts, theft from vehicles, and or theft from homes. By taking an extra minute to verify that your homes and vehicles are secure, will help to deter being a victim of a crime. We want all citizens to know that any suspicious activity, no matter how small it may seem, needs to be reported. By working together, we as a community can continue to keep our crime rate low.
