AGENDA ITEM REVIEW SHEET

TO: GOVERNING BODY
SUBMITTED BY: MELANIE LANDIS, ASSISTANT CITY ADMINISTRATOR
MEETING DATE: JUNE 22, 2020
DATE: JUNE 15, 2020

Formal Action Item: Award of bid - Auditor Selection and engagement for December 31, 2019 financials

Background: Each year the City engages in audit services with a certified public accounting firm for the purpose of auditing and preparing the City's financial statements. The objective of the audit is the expression of an opinion as to whether the basic financial statements are fairly presented in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplemental information. The City of Spring Hill has engaged auditing services with Mize Houser & Company (previously Lowenthal, Webb & Odermann, P.A.) since 2001. At the end of 2019, Mize Houser discontinued governmental auditing services. As a result, the Finance Department issued a Request for Proposals (RFP) for Audit Services.

Analysis: The City received RFP responses from six firms. Three of the firms have a regional presence and three of the firms have a national presence. Staff had conversations with all six firms, and, after our initial screening, follow-up questions were sent to three firms. Additional telephone conferences were conducted and references were checked. While the City can receive value from the broad range of knowledge and services offered by a national organization, it was determined that the value of a large firm may not prove cost effective. Thus, the two highest bids were eliminated. The lowest bid was eliminated due to the inability to perform all services required under the RFP such as preparation of the documents included in a Comprehensive Annual Financial Report (CAFR).

In our analysis, we found Gordon CPA has a significant client base of governmental audit accounts similar in size and function to Spring Hill. The references we received were positive with regard to performance, responsiveness and meeting deadlines. Sean Gordan, Principal of Gordon CPA, has previously worked on the City audit through Mize Houser and is familiar with Spring Hill. The proposal from Gordon CPA was the lowest bid price of the firms from which we requested additional information.

Our review committee, which included the City's financial advisor from Baker Tilly and two City staff members, recommend the audit services of Gordon CPA.

Alternatives:

1. Acceptance of Bid for Audit Services from Gordon CPA and direct the finance staff to return to Council with an engagement letter and contract for services.
2. Deny the recommendation of acceptance of bid from Gordon CPA.
3. Refer the issue back to finance for further review.

AGENDA ITEM REVIEW SHEET

Legal Review: The RFP was reviewed by the Spring Hill City Attorney.

Funding Review or Budgetary Impact: This recommendation is being presented in accordance with Section 1.01C of the Spring Hill Purchasing Policy. The expenditure will be split between the budgets of the General Fund, the Water Fund and the Sewer Fund. The 2019 audit fee does not result in an increase from the 2018 audit fee. Further, the 2020 audit fee would remain the same as the 2019 audit fee and a 3% increase for both 2021 and 2022 is proposed.

Recommendation: Staff recommends that the Council approve the acceptance of Bid for Audit Services from Gordon CPA.

To: Mayor and City Council
Date: June 17, 2020
Subject: 2021 and 2022 Draft Operating Budget for June 22, 2020 special meeting

BACKGROUND

In preparation of the draft operating budgets for 2021 and 2022, staff has prepared and analyzed service operations, projects included in the Capital Improvement Program and requests from outside agencies. Staff responsible for preparation include City Management, the Department of Finance and each of the departments/divisions within the City. Revenues and expenditures for all major funds were used to prepare a draft of the state budget document determining the total tax dollars needed to accomplish adequate service levels.

Additionally, the Council has been presented with requests for funding consideration and future capital projects. City Council was asked to prioritize the items presented to them and the results are attached with an average ranking based on a Low, Medium, and High response.

Also included in this packet of information is a draft budget report (worksheet) that includes draft 2021 and 2022 line item budgets as well as information from prior year actuals. These reports will be updated with balanced budgets after the Council discussion on June 22nd.

DISCUSSION

The City operating budget consists of four major funds that receive property tax revenues to support service and operational expenditures: General Fund, Debt Service Fund, Fire Fund, and Cemetery Fund. Revenues are derived from property tax, sales tax, franchise fees, sales and services, development fees, special assessments, and transfers from enterprise and capital project funds.

2020 Assessed Valuation

Miami County total assessed valuation is \$29,260,660, an increase of \$2,444,937 or 9.1% over the 2019 valuation.

Johnson County total assessed valuation is \$76,473,539, an increase of \$7,357,950 or 10.64% over the 2019 valuation.

Total valuation for calculating the 2021 budget is \$104,709,560, or a 9.1% increase over 2019. One mill calculated at this rate would be \$104,709; however, because Spring Hill has a no fire area calculated into the overall valuation, an average mill is equivalent to approximately \$89,265.

2021 and 2022 Operating Budgets

The proposed budget includes projected revenues, base expenditure forecasts, current and anticipated debt service payments for all City projects, the contract with Johnson County Fire District #2 for fire services in a portion of the Spring Hill city limits and annual maintenance costs for the Spring Hill Cemetery.

After detailed review of all funds, available funding for additional budgetary needs have been included on the analysis sheets for budget requests and capital projects.

As anticipated, the Covid-19 pandemic does have a financial impact on the 2021 and 2022 forecasts as there is less opportunity for unanticipated revenues and expenditure savings to rollover to the new year, creating less flexibility in the options for funding new requests.

For example, in the General Fund in 2021 there are approximately \$180,000 of available funds to assign to salary and benefit changes of \$181,000 and new budget requests of \$395,000. In 2022, those available funds are reduced to just \$46,000 to cover needs of salary and benefit changes of \$200,000 and new budget requests of \$295,000.

Mill Levy Impact Options

The state budget document is currently calculated at a near level mill levy for 2020. The City Council may wish to increase the mill levy to support new budget requests or capital projects. As the public hearing notice indicates the maximum mill levy for each fund, decisions on whether to publish a higher mill levy will need to be made at the June 22nd meeting. The City Council does have the option to adopt a budget with a lower associated mill levy at the time the budget is adopted in August.

The following is a snapshot of the state budget document related to the line item budget included in this budget review packet.

Spring Hill Fire Contract Area

Johnson County Fire District #2 provides fire services to a contracted area within Spring Hill. The funding for this contract is through a dedicated mill levy in the Spring Hill budget. The estimated contract for 2021 is \$793,800, or a 5% increase. For budgeting purposes, a 5% increase has been calculated for the 2022 budget as well, even though that contract year has not yet been negotiated.

Operating Budget Requests

The attached report has been updated from the comments and prioritization received from Council and are ordered by impact on budget year and funding source.

2021 – 2025 Capital Improvement Program (CIP)

The 2021 – 2025 CIP document will be drafted based on Council prioritization of the projects against the funding sources available. The attached report provides potential funding sources for each project and available funds in each funding source. While there are not ample funds to cover all projects at this time, prioritization will provide guidance for planning of projects as funds become available.
