From: Melanie Landis, Assistant City Administrator
Re: City of Spring Hill Sales Tax Reports

Sales and use taxes contribute approximately 1/3 of the general fund budget as well as fund special projects and purchases. The attached reports provide a summary and comparison look at this revenue source. Sales tax distributions are received two months after the sales occurred so March sales tax receipts for the City represent sales tax collected for January sales.

Local Sales Tax - City of Spring Hill (page 1) – This report is a monthly breakdown of sales tax receipts within the City of Spring Hill and includes only city sales tax.

Sales Taxes – All Sources (page 2) – This report includes all sources of sales and use taxes with historical data as well as a current month comparison. The special safety and school sales taxes for Johnson County are included in the forecast totals to better reflect what is available in the general fund.

Included in this report is a Designated Purpose section which reports the collections for the:

- Special City sales and use tax went into effect April 2009 for recreation purposes. This is a general sales tax and has no sunset. These collections are held separately in a sales tax fund and are currently being used to make the principal and interest payments of the general obligation bonds for the Spring Hill Aquatic Center and Veterans Park.
- Special Johnson County safety sales and use tax which went into effect in April 2017. Johnson County shares their portion of sales tax collected with the cities within the County. These collections are held separately in a sales tax fund and are dedicated to specific projects or equipment each budget cycle.

Sales Taxes – All Sources (page 3) – This report is a breakdown and comparison of monthly collection for each major source of sales and use taxes.

Questions regarding the monthly reports or the use of a sales tax source should be directed to Melanie Landis, Assistant City Administrator. Thank you.
