FOR IMMEDIATE RELEASE | 08/18/2023

Spring Hill Police Department | 418 E. Nichols St., Spring Hill, KS 66083  
(913) 592-2700

## ***You Drink. You Drive. You Lose- is Just Ahead***

The Spring Hill Police Department will join other police agencies across Kansas in a crackdown aimed at removing impaired drivers from roadways during ***You Drink. You Drive. You Lose.*** from August 19 through Labor Day, September 4.

It is illegal to drive while impaired, yet one person is killed in a drunk driving crash every 52 minutes in the United States. Just one drink before driving can put you and others in danger because alcohol impairs thinking, reasoning and muscle coordination.

Driving after consuming alcohol or any other potentially impairing substance is a choice you make.

Chief Cindy Henson says the ***You Drink. You Drive. You Lose.*** enforcement campaign is intended to remind drivers to take a moment to consider how it would be to begin every day with the memory of your decision if it resulted in injury or death. If you are driving impaired, you are not only more likely to crash, but that crash is much more likely to cause serious injury or death. Think about your family, your friends, your coworkers, and neighbors.

We always recommend you wear your seat belt. It's your best defense against impaired drivers. Every trip, every time.

You can count on SHPD to vigorously enforce impaired driving and other traffic laws, not just during this enforcement campaign, but throughout the year to save lives.
